#### SMOKER REFORMS AT THE AGE OF 105

CHICAGO, Oct. 20.—Joseph Malski died today, aged 110 years and 2 months. He had been an inveterate tobacco user all his life, but when he was 103 years of age he decided to reform and quit tobacco. He had also used liquor moderately all his life up to his 85th year, when he decided to abandon the use of intoxicants.

He celebrated his 110th birthday last August and the occasion was made much of by his circle of friends. He was born in Posen, Germany, in 1802, and when 40 years of age came to this country with his wife and son. Immediately after the great Chicago fire he came here. He prospered, and after four more sons had been born and grown he retired from active work. He is survived by five sons, seventeen grandchildren and five great-grandchildren. He was vigorous and mentally strong up to the very hour of his death.

#### BAY STATE EDUCATORS TO WAR ON DAN CUPID

BOSTON, Oct. 20.—War against courting in public schools has been declared in several sections of the State. At Lynn the hearts of about 900 boys and girls in the English High School have been plunged into seas of sadness by the announcement that no more will pupils be allowed to make love in the corridors of the school building during the periods between recitations.

At South Framingham, Rev. J. Van N. Bandy is urging an age limit for courting because, as he says, "Van Bandy objects principally to love-making in high schools, on the ground that the scholars are so young that it is turning their thoughts from the way in which they should go. Public dance halls, politics in school affairs and 'silly love stories' are the causes for the present conditions, says Van Bandy."

Sir Thos. Lipton is en route to Southern California to spend a few weeks. It will be his first visit.
